

External users

External employees and students from other institutions who do not have a Leuphana account can apply for Moodle access. Please follow these steps:

1. **Submit an application**

Register your need for external Moodle access, **including a link to the course**, with the teaching service at: lehrservice@leuphana.de.

2. **Obtain access to the administration table**

You will receive an email with a link to an **online Excel table** provided **via Microsoft Teams**. Open the table directly in your browser using the link provided – **do not download the table**.

3. **Enter data**

Fill in the **columns marked in red** for each access request.

The table comes with brief instructions in the form of a spreadsheet (see the table below: ***Zur Benutzung dieser Tabelle***).

4. **Completing the application**

Once you have entered all the data, please inform the teaching service again at: lehrservice@leuphana.de.

Please note: The table is to be used exclusively as an online tool. Downloading and local editing are not permitted in order to ensure data integrity and security.
